Dear MACS Families,

I hope all are doing well during these challenging times. I am writing to announce that we have been given clearance from our local health department to start higher risk “Fall 2” sports starting on Monday, March 15. As you are aware, this is a very challenging time and everything is subject to change based on COVID.

- **The “Fall 2” sports of Varsity Football, Varsity and JV Volleyball, JV and Varsity Cheerleading, and Varsity Boys and Girls Indoor track are all open on Family ID. This season will tentatively be from March 15 – April 24. The “Fall 2” sport of girls Varsity and Modified swimming is scheduled to start on March 8 and Family ID is currently open. The “Fall 2” modified higher risk season is tentatively scheduled to be from April 5- May 3 for modified football and volleyball. Family ID will be open in a few weeks for those sports.**
- Here is a link to the COVID information by NYSPHSAA. There is a great deal of information here regarding protocols and procedures for athletic participation. <http://www.nysphsaa.org/COVID-19-Info>
- The NYSED (New York State Education Department) delayed the requirement for physicals for the rest of the school year if the student-athlete had a valid health examination in the 2018-2019 or 2019-2020 school year.
- The next page has information regarding instructions for students and parents/guardians that are interested in participating in a “Fall 2” sport. In the event you are interested, please sign up.
- By signing up your child, you understand that there is an inherit increased risk of injury or illness based on participation in sports.
- **Traditional JV and Varsity spring sports are scheduled to begin on April 19, with modified traditional spring sports starting on or about April 30.**

Sincerely,

Mr. Andrew Gates
