## **7/24/2020 - Re-opening of Track for Community Use**

We are happy to announce that we will be able to open our track for community use starting on Monday, July 27<sup>th</sup>. The track will be open during the hours of 6:00am-9:00am and 5:00pm-8:00pm on Monday-Fridays with supervision from school personnel until further notice. All governmental recommendations including social distancing must always be followed, unless you are a household member. If you cannot socially distance, then a mask must be worn. In the event of inclement weather, the track may not be open.

We ask that any community members wanting to utilize the track facilities do a self-assessment before coming to the facility. Please do not come to the facilities if you have any of these listed symptoms: Coughing/shortness of breath, Fever (100.4 or above), Loss of taste, Fatigue, Muscle aches, Sore throat, Congestion (non-allergy related), or Nausea/vomiting/gastroenteritis.

At this time, based on the guidance we have been given by the Governor's office regarding organized sports we are still not allowed to open our turf field for any activities. As soon as we get updated guidance on opening the field, then we can open that up for community use as well.

Sincerely,

Andrew Gates  
Director of PE, Health, & Athletics
